 LinkedIn

Summary

Highly motivated Electronics & Communication Engineering student with a strong interest in technology and problem-solving. Eager to acquire and apply new programming skills to real-world projects, demonstrating strong analytical thinking, teamwork, and communication abilities.

Education

Bachelor of Engineering in Electronics & Communication Engineering	Date Range
S.A. Engineering College	
Higher Secondary Certificate (Class XII)	Date Range
State Board	
Secondary School Certificate (Class X)	Date Range
State Board	

Achievements

Coding and Problem-Solving Practice

- Successfully solved over 200 programming problems on platforms like Skillrack, GeeksforGeeks, and LeetCode.
- Actively strengthening Python proficiency and mastering Data Structures and Algorithms (DSA) concepts.
- Continuously developing strong logical thinking and algorithmic problem-solving abilities.
